20 is plenty in King's Hedges

Andy Pellew is campaigning to make King's Hedges safer for parents and children going to and from our local schools.

Andy wants a 20mph limit on Northfield Avenue making things safer for everyone who goes to King's Hedges Primary School.

Getting to the Grove on Campkin Road would be safer too.

Many elderly people live in this area and would benefit from a 20mph speed limit.

Elect Andy Pellew on Thursday to get a County Councillor who will fight for a 20mph speed limit on our local streets.

"A 20mph limit would make this area safer," said Andy Pellew.

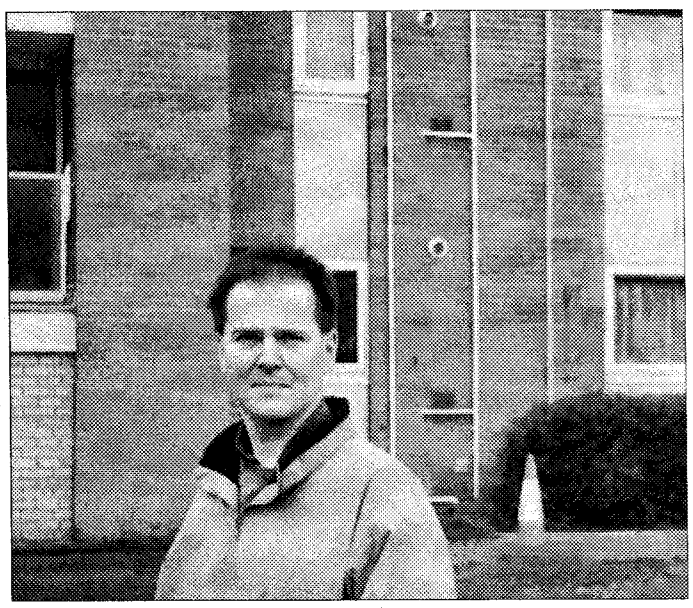
£1500 Give us our money back



Daylight robbery! Andy Pellew wants a fair deal for local council tenants. "Labour's unfair tenant tax should be scrapped," says Andy.

Council tenants in Cambridge lose £1500 every year because the Labour government takes the money to spend in London and other big cities.

Lib Dem Councillors and local MP David Howarth are fighting this 'daylight robbery'.

"King's Hedges is losing out on £3 million every single year," said local resident Andy Pellew.

"Think what could be done to improve this area with that money."

"This system is extremely unfair on some of the poorest in society."
